## CARTRIDGE SELECTION

Aroma Club

{LAVC}

100% Arabica blend with a characteristic acidic taste for a wonderful flavor in the cup. Fragrance and body are the primary characteristics of this blend. This blend is creamy thanks to an effective processing technique, optimizing roasting and grinding phases.

Cartridge = 1 espresso or cappuccino

Pack = 2 cartridges, Box = 50 packs (50 x 2) or 100 cartridges

Case = 10 Boxes (10 x 100) or 1000 cartridges

---

Aroma Point

{LAVAP}

A creamy blend of intense flavor and perfect body. It includes the finest coffees from Brazil and Central America combined with the sweet and full-bodied Indonesian robusta coffees.

Cartridge = 1 espresso or cappuccino

Pack = 2 cartridges, Box = 50 packs (50 x 2) or 100 cartridges

Case = 10 Boxes (10 x 100) or 1000 cartridges

---

Crema & Aroma

{LAV}

Our most popular Espresso Point coffee, it has a very strong, intense flavor with excellent body and an intense and pleasant aftertaste. This coffee is blended using the carefully selected Central and South American Arabica and the finest African Robusta beans.

Cartridge = 1 espresso or cappuccino

Pack = 2 cartridges, Box = 50 packs (50 x 2) or 100 cartridges

Case = 10 Boxes (10 x 100) or 1000 cartridges

---

Decaf

{LAVD}

100% Arabica blend. This special decaffeinated coffee is a perfect balance between sweet Brazilian blends and Asiatic aromatic flavors. Lavazza Decaf has a pleasant citrus fruit aroma. The slightly dark roasting gives the blend its full-bodied flavor.

Cartridge = 1 espresso or cappuccino

Pack = 2 cartridges, Box = 50 packs (50 x 2) or 100 cartridges

Case = 10 Boxes (10 x 100) or 1000 cartridges

## NEW CARTRIDGES

Lipton Yellow Label Tea

{LAVL}

Lipton's familiar name, taste and quality are now available in cartridges for the Lavazza Espresso Point system. Great hot even better iced!

Cartridge = 1 Cup tea

Pack = 2 cartridges, Box = 25 packs (25 x 2) or 50 cartridges

Case = 20 Boxes (20 x 50) or 1000 cartridges

Lipton Lemon Tea

{LAVLL}

Lipton's Yellow Label Tea with Lemon flavoring transforms the "Point" machine into a beverage center!

Cartridge = 1 Cup lemon tea

Pack = 2 cartridges, Box = 25 packs (25 x 2) or 50 cartridges

Case = 20 Boxes (20 x 50) or 1000 cartridges

Lipton Green Tea

{LAVLG}

Green tea can contribute to a healthy lifestyle. It is good for relieving stress and calming the nerves. According to ancient records, green tea sharpens the brain, brightens the eyes, quenches the thirst and counters the effects of poisons.

Cartridge = 1 Cup green tea

Pack = 2 cartridges, Box = 25 packs (25 x 2) or 50 cartridges

Case = 20 Boxes (20 x 50) or 1000 cartridges

Lipton Chamomile Montania

{LAVLC}

In the tale of Peter Rabbit, Peter eats himself sick in Mr. McGregor's garden. When he gets home, his mother gives him chamomile tea to calm his stomach and soothe his nerves. Europeans have long known these properties and drink chamomile regularly.

Cartridge = 1 Cup Chamomile

Pack = 2 cartridges, Box = 25 packs (25 x 2) or 50 cartridges

Case = 20 Boxes (20 x 50) or 1000 cartridges

Knorr Consommé

{LAVK}

Knorr brands are synonymous with quality, this beef broth is a delicious addition to the range.

Cartridge = 1 espresso or cappuccino

Pack = 2 cartridges, Box = 25 packs (25 x 2) or 50 cartridges

Case = 20 Boxes (20 x 50) or 1000 cartridges

## Espresso Blends

**Grand' Espresso** - This blend is made with only the best Arabica beans from Central and South America and select African and Indonesian Robustas. Grand' Espresso's full-bodied flavor, with chocolate undertones, is perfect for espresso-based beverages with a high milk ratio.

**Available in:** whole bean / single serve pods

{ LAVB } whole bean \$99.91 case (6 x 2.2 lb. = 13.2 lb.) - \$7.57 per Lb.

{ LAVP } Individually wrapped single serve espresso pods. 150 per case, 52.50 / .35 each

**Super Crema** - A blend of 80% sweet Arabicas and 20% Robustas. This combination gives Super Crema strong character and good body without bitterness. The added strength brought by the Robustas makes Super Crema an ideal base for cappuccinos and Lattes as well as picture perfect espresso.

**Available in:** whole bean / ground

{ LAVSB } whole bean \$117.71 case (6 x 2.2 lb. = 13.2 lb.) - \$8.92 per Lb.

{ LAVEB } ground \$107.23 case (20 x 8.8 oz. = 11 lb.) - \$9.75 per Lb.

**Dek Decaf** - Only premium Arabicas from Brazil and Colombia are used for this blend. Dek makes an excellent, creamy espresso with all the character and body of a caffeinated coffee. The ground version is tailored for specific use on commercial espresso equipment.

**Available in:** whole bean / Ground / single serve pods

{ LAVBD } whole bean \$126.12 case (12 x 1.1 lb. = 13.2 lb.) - \$9.55 per Lb.

{ LAVBARD } ground \$135.00 case (12 x 1.1 lb. = 13.2 lb.) - \$10.23 per Lb.

{ LAVPD } Individually wrapped single serve espresso pods. 150 per case, \$60 / .40 each

## Filter Coffee Blends

**Gran Filtro** - A blend of 100% premium Arabica beans from Central America, Kenya and Tanzania, which results in a superb, rich aroma and well-balanced taste. Gran Filtro is purposely blended to brew a full-flavored coffee in any filter drip coffee machine.

**Available in: whole bean / Ground: 2¼ oz. And 8 oz. frac packs**

{ LAVF } whole bean \$97.96 case (6 x 2.2 lb. = 13.2 lb.) - \$7.42 per Lb.

{ LAVF8 } ground \$79.80 case (20 x 8 oz. = 10 lb.) - \$7.98 per Lb.

{ LAVGRAN } ground \$38.95 case (30 x 2¼ oz. = 4.2 lb.) - \$9.23 per Lb. / \$1.30 per pot

**Gran Filtro Classico** - A blend of selected South American and African varieties that combines the sweetness of Latin American Arabicas with the intense, spiced fragrances of African coffees. Filtro Classico can be prepared with any professional filter machine

**Available in: whole bean / Ground: 2¼ oz. And 8 oz. frac packs**

{ LAVCB } whole bean \$80.00 case (6 x 2.2 lb. = 13.2 lb.) - \$6.06 per Lb.

{ LAVC8 } ground \$62.50 case (20 x 8 oz. = 10 lb.) - \$6.25 per Lb.

{ LAVCLAS } ground \$34.25 case (30 x 2¼ oz. = 4.2 lb.) - \$8.12 per Lb.

### **Decaffeinated Gran Filtro**

A naturally water processed, decaffeinated 100% Arabica blend, Decaffeinated Gran Filtro has a rich, full, satisfying taste. Hard to believe it's a decaf.

**Available in: whole bean / Ground: 2¼ oz. And 8 oz. frac packs**

{ LAVFD } whole bean \$117.46 case (6 x 2.2 lb. = 13.2 lb.) - \$8.90 per Lb.

{ LAVD8 } ground \$93.31 case (20 x 8 oz. = 10 lb.) - \$9.33 per Lb.

{ LAVFDC } ground \$40.50 case (30 x 2¼ oz. = 4.2 lb.) - \$9.60 per Lb. / \$1.35 per pot.
