A note about our deposit policy regarding 5 gallon water bottles and crates.

Because the cost of the 5 gallon bottle and its accompanying crate each exceeds our charge for the water, we require a deposit on these items. This is in keeping with industry-wide practice. In order to simplify their record keeping, many of our customers make it a practice to order only as many bottles as they plan on returning.

Please note: Non-refillable Bottled water sold in NY and CT is subject to a State mandated 5 cent bottle deposit and a 4-5 cent per bottle recycling fee.
