- No clean up, no mess, brews one cup at a time
- Removable, easy-fill water tank
- Internal water filter provided
- Small counter-top design
- A sleek and modern look
- Portable
- Helps keep the office running smoothly

## FLAVIA<sup>®/MD</sup> DOES MORE

FLAVIA machines are designed to meet individual drink demands. By selecting a range of products from our specialty single-serve brands, everyone in the office will be satisfied.

Choose from a variety of single-serve drinks including freshly ground coffees, real-leaf and herbal teas and premium hot chocolate. Plus, our innovative technology enables you to brew authentic frothy cappuccinos, lattes and mochas so you can enjoy coffee shop specialties right in your office.

# EXCEPTIONAL OFFICE PERFORMANCE

As our business is totally focused on the needs of the office, we have designed the FLAVIA CREATION<sup>®/MD</sup> 150 specifically for small offices and collaborative areas:

- Freedom and confidence to get on with everything else in the workday, without the hassle
- Sleek and compact design to fit your small office and collaborative workspaces
- Brews a full range of single-serve drinks including coffee shop specialties to satisfy everyone's needs
- Brews directly from pack to cup, eliminating taste contamination from one drink to the next

It will be your partner in hitting sustainability targets too:

- An energy-saving mode that switches off energy-draining devices after 2 hours (the boiler and lights)
- Designed to heat only minimal amounts of water so energy is conserved
- Energy-efficient LED indicators

## FLAVIA<sup>®/MD</sup> BREWS BETTER

Our innovative single-serve brewing process:

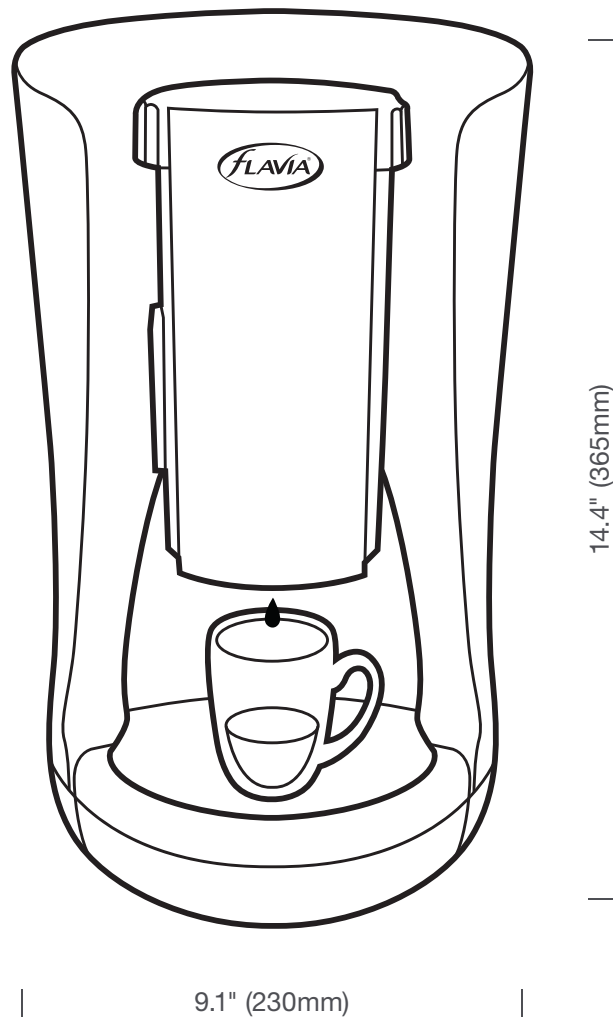

- STEP **1** **SOURCE:** We start with the highest quality ingredients – freshly roasted and ground coffee, real-leaf and herbal teas and premium hot chocolate.
- STEP **2** **SEAL:** We pack our carefully sourced ingredients into the unique FLAVIA Freshpack locking in their freshness and flavor.
- STEP **3** **SERVE:** We specially design the FLAVIA Freshpack to work with the FLAVIA Brewer. Together they create an optimal brew cycle within every pack. Every drink is brewed directly from pack to cup with no taste contamination, giving a quality cup every time.
