The Café of Choice™

FLAVIA® SB100 Brewer Features and Benefits

With the FLAVIA SB100 brewer, you won't have to leave the office to get a delicious hot beverage. The fine range of FLAVIA gourmet coffees, fresh leaf teas and hot chocolate rival the very best coffee houses. In fact, the FLAVIA system represents the best way to prepare a fresh, quality cup of steaming coffee or tea at work. You get a great quality drink, time after time. And all at the touch of a button.

Just fill the stylish brewer with water and plug it in. The compact size allows you to put the brewer nearly anywhere in the office. Even in the smallest corner space. Great for small offices, teacher's lounges, and hotel rooms. The choice is yours. The SB100 machine brews the beverage you choose in your favorite cup or mug, with no mess. Just add cream and sugar if you like, and enjoy!

It has a detachable Filterpack door and removable drip tray to keep things clean. All the convenient features that you expect from a **FLAVIA** brewer. With 16 years of beverage experience, trust the name you know.
