

Keurig Makes Office Brewing Deliciously Simple®

### One Brewer ~ So Many Features

Now, Keurig Makes Office Brewing Even More Simple With the B200...

**DIGITAL USER INTERFACE/EASY TO READ LCD SCREEN** –The first Keurig Brewer to offer step-by-step brewing instructions in three languages; English, Spanish, French, in addition to vending.

LED WATER TANK LEVEL INDICATOR

**BREW BUTTONS** – flash when ready and easily identify two brew sizes; 6oz. and 8oz.

### You Choose Pour Over Mode or Direct Plumbed Mode

**POUR OVER MODE** – Cold water reservoir is easily accessible, holds 64oz., and includes a removable filter screen. You get continuous back-to-back brews every sixty seconds until tank is empty.

**DIRECT WATER LINE PLUMBED MODE** – easily connects to existing water line or bottled water supply with an in-line water filter. This allows unlimited back-to-back brewing every 60 seconds.

**REMOVABLE DRIP TRAY**– Large capacity tray is dishwasher safe, and has a "full" level indicator. Holds up to 2 accidental brews. Remove it and brewer easily accommodates travel mugs.

### OPTIONAL VENDING FEATURE

**VENDING PANEL** – simply switch fascia plates to make this a vend brewer. The multi-coin acceptor uses US and Canadian Coins: nickels, dimes, quarters and Canadian dollars.
