# MARS Drinks

## Delivering the best tasting, hassle-free drinks you'll ever get at work.

### *source.*

At MARS Drinks, we source strong, meaningful brands for our coffee, tea and chocolate.

### *seal.*

We seal the freshest ingredients in our unique FLAVIA freshpacks.

### *serve.*

With the FLAVIA FRESH RELEASE System our brewers serve the perfect drink, every time.

# source.

We have carefully selected brands that provide you with the right **CHOICES** for consumers.

Good quality,  
hardworking coffee  
that you feel good  
about drinking.

Perfectly balanced,  
full-flavored teas that  
allow you to PAUSE  
& RESET without  
slowing down.

Every cup delivers  
silky smooth,  
delicious chocolate  
indulgence.

We prefer to work with suppliers who source responsibly. We already offer a range of drinks from Rainforest Alliance Certified™ farms, helping to conserve biodiversity and ensure sustainable livelihoods. Brighter Tomorrow is our own sustainability program that includes support for the communities from which we source our ingredients.

# seal.

We pack our carefully sourced ingredients into the unique FLAVIA freshpack because **FRESHNESS** matters.

## The FLAVIA freshpack

Our unique freshpack design preserves and protects our quality ingredients so that every drink is brewed directly from pack to cup, perfectly every time.

Each freshpack is packed full of fresh ground coffee, real leaf teas and chocolate so that you get a great tasting drink.

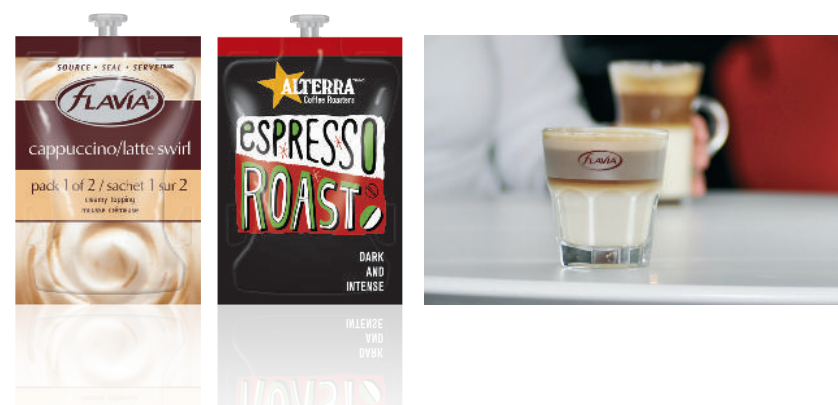

# serve.

To keep your workplace running smoothly you need a drinks system that delivers hassle-free **CONVENIENCE**.

## FLAVIA FRESH RELEASE System

Enjoy the convenient reliability of our simple, clean and consistent brewers, while delivering improved productivity and engagement in the workplace.

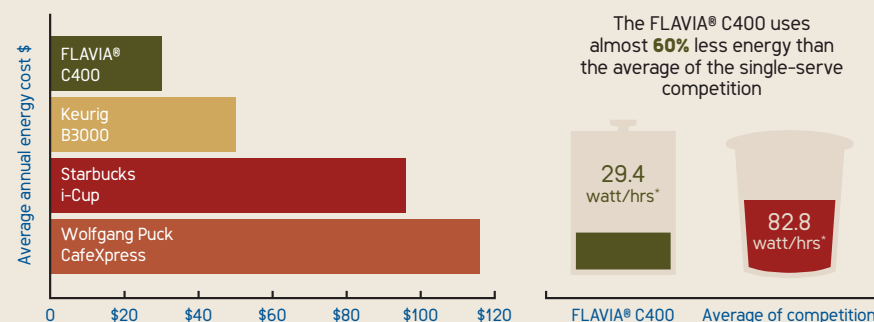

Create over 25+ combinations from fantastic cappuccinos, lattes and mochaccinos to espresso style drinks with our unique two pack technology.
