

WMF I400

Models: 4 Hopper

Milk Topping & Choc

Super Automatic Espresso Machine

designed for small to medium size businesses.

Easy drink selection for up-to 12 beverages with the touch of a button. Espresso, Cappuccino, Latte, Americano, and Hot Chocolate, are only a few of the options available.

Milk is produced on this unit using a soluble milk topping.

The quality of a beverage well maintained and the unit is totally mobile. With multiple water connection options, small footprint, and 120VAC electrical requirements, the I400 is truly one of a kind.
