

# NESPRESSO MOMENTO 200

---

## FEATURES

- Touchscreen display or enabled low-touch and touchless brewing technology deliver exceptional ease of use
- Recognizes capsule and recommends best way to brew
- Coffee cup sizes — select from Ristretto, Espresso, Lungo, Americano and Large Americano
- Two brew heads work simultaneously and independently to offer coffee and hot water at the touch of a button
- Customizable settings for desired temperature and cup size — program between 3 and 5 coffee sizes into your machine
- Automatically ejects used capsule and provides optional heated cup storage area
- Proximity sensors detect your presence and wake up the machine
- Rinses automatically throughout the day
- Sustainably designed with various energy-saving modes for precise consumption of water, coffee and energy
- Guidance and alerts when maintenance is needed
- Made from reliable and easy-to-repair components — only the brewing module needs to be changed if necessary
